MEMORANDUM FOR: Director of Central Intelligence

FROM : SA/IA

SUBJECT : Worldwide Testimony before Senate Foreign Relations
Committee, 4 February 1982

1. You are scheduled to present the Worldwide Briefing to the Senate Foreign Relations Committee tomorrow morning at 10:00. I understand that you will probably go directly from the National Prayer Breakfast to the hearing room, therefore I will make no attempt to meet you at the Old Executive Office Building.

2. I believe you are in pretty good shape. We cleaned up the text which you used the other day, and I have provided you the responses from [redacted] to the questions you asked regarding Soviet defense spending, oil exports, and gas export income. Jim will be prepared to provide backup on these items.

4. I have included the copies of Secretary Enders statements on Central America, which you requested and received yesterday.
